

TRI-STATE CHRISTIAN

Thank you for considering to sponsor the King's Crusaders Football program. The King's Crusaders Football program is a non-profit, all-volunteer organization that provides home school and private school athletes from the Fort Wayne surrounding area the opportunity to participate in a quality competitive football program. We don't just play football, rather we strive to teach our men to be Godly examples of the highest character, ethics, and behavior on and off the field.

With support from community partners like you, we are able to rent game facilities, hire referees, provide quality equipment for our players, and take care of other administrative costs. Sponsorship money also provides scholarships for our players. Last year we were able to scholarship 6 players because of sponsorship funds from our community partners.

Your sponsorship can range from \$250 and up. Please see the attached form for sponsorship opportunities. You can either sponsor our team with the intention of taking a tax deduction for a donation to a non-profit, receive advertising space on our website and game day program or a combination of both.

To partner with us, please complete the Sponsorship form and return to the address listed below with a check made payable to Tri-State Christian Football League.

Thank you for supporting the King's Crusaders!

Sincerely,

Tri-State Christian Football League
